

Hi! I am Pastor Gordon! On behalf of the entire St. Paul church family, welcome to Saint Paul: "A Church Known for Its Faith, Where God Has A Word for Your Season." "Your season maybe a season of challenge, but God has a Word for you. Your season maybe a season

It is not by accident that you are here. God brought you here for this season. Our ultimate desire as a church family is to be a blessing to the people of God. St Paul is a warm and embracing congregation. Any time you are in the house you will experience a powerful and spirit filled worship celebration. ed for worship to stimulate us, get the blood circulating! We strive to create such a worship experience by inviting the Holy Ghost to lead us in worship. At St. Paul you will experience worship on another level! We strive to empower the people of God to live productive and progressive lives through relevant preaching. We empower God's people to become good stewards of everything that God has entrusted to our care. As people of God, we are compelled to become good stewards of our lives, our time, our health, our families, as well as our finances. Each believer is encouraged to tithe and give of their time and talent for the up building of the kingdom of God. St. Paul is a ministry oriented church.
